

SIMPACK Trainings and Conferences

SIMPACK USER MEETING 2007

Reserve your place at the SIMPACK User Meeting 2007 which is happening from the 20th to 21st November. The forthcoming User Meeting will be held next to the river Rhine in beautiful Bonn-Bad Godesberg, where you can spend two absorbing days with INTEC. You will learn about the current trends, new developments and innovative applications with SIMPACK, as well as getting to speak to other SIMPACK users and the staff from INTEC.

You will hear expert contributions from active SIMPACK users and many practical examples.

The evening function, well-known to many as the gala dinner, will take place on the steamboat Poseidon. After a fascinating day of presentations, enjoy a relaxed trip on the steamboat in the charming surroundings of the Rhine.

We have already received presentations from the following companies / universities :

Siemens Transportation Systems GmbH & Co KG, Siemens AG A&D, DaimlerChrysler AG, BMW Group, SKODA Czech Republic, ZF Friedrichshafen AG, Deutsche Bahn AG, HILTI Entwicklungsgesellschaft mbH, University of Stuttgart, University Tübingen, Niigata University Japan, University of Technology Dresden

Thanks to all authors for their cooperation.

We very much look forward to welcoming you in Bonn-Bad Godesberg.
